

Soccer Practice Plan

Warm Up

Duration: 0 min

Ball Mastery

Bell Taps (Sole Taps)

Time: 5 min | Sets: 2 | Work: 2 min | Rest: 0.5 min

Directions: 1. Stand directly over the ball. 2. Alternately tap the top of the ball with the sole of your right foot, then your left foot. 3.

Keep knees soft and stay on your toes; do not let the ball roll away. 4.

Progression: Move forward, backward, or rotate 360 degrees around the ball while tapping. <https://www.youtube.com/watch?v=iaTdBm0YLjs&t=21s>

Players: All

Equipment: Ball

Coaching Points: Head Up: Begin each drill looking at the ball to establish rhythm, then gradually lift your head to scan the field between touches., Soft Knees & Light Feet: Avoid flat-footed contact; stay on the balls of your feet to switch directions without losing balance., Work Both Feet Equally: Dedicate equal repetitions to your non-dominant foot to prevent predictable play under pressure.

Receiving & Passing

No activities planned.

1v1

No activities planned.

Speed

No activities planned.

Finishing

No activities planned.

Group Play

No activities planned.
